### **2019 Registered Nurse Transition to Professional Practice Program (TPPP)**

#### **About Balaklava Soldiers Memorial District Hospital**

The Balaklava hospital is a 39 bed facility with 17 acute care beds and 22 commonwealth funded residential aged care beds. The hospital provides:

- 24 hour emergency services
- Orthopaedic and Plastics Surgery
- Transitional care packages
- TPPP facilitator to support the graduate registered nurse gain experience and develop skills in a wide range of clinical areas.

#### **What does TPPP look like for Balaklava?**

The program will commence 11<sup>th</sup> February 2019. A contract is offered at 0.6 FTE. The registered nurse (RN) in the TPPP is supported by a program facilitator who coordinates a comprehensive program designed to support RN development.

Balaklava works in conjunction with all sites within Yorke and Lower North health services to offer a range of clinical rotations in the TPPP. A region wide study program is offered to enable participants from the region to network and attend the same study sessions.
