Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

CHSALHN oversees the rural public health system in South Australia (SA). We provide community, rehabilitation and acute services to approximately a third of SA's population and is the largest service provider in country SA. The Vision of CHSALHN is to transform health care and actively deliver health benefits so that rural and remote South Australians live healthy lives. Within this broader context, the mission of CHSALHN is to:

- Support rural and remote South Australians to be healthy;
- Commit to partnering with individuals, communities and staff to deliver high quality, high value health care that enhances the lived experience of rural and remote South Australians and their cares and families; and
- Commit to enhancing the satisfaction, and promoting the talent, of its workforce.

CHSALHN MHS' mission is *"To be a flourishing mental health service that impacts meaningfully and positively on the communities it serves"*. Within this context, there are 5 key goals that support the achievement of the Directorate's vision of *"Transforming health care and actively delivering health benefit."* These are to achieve:

1. Effective, appropriate and sustainable mental health services;
2. Access to empowering and appropriate mental health services;
3. An appropriate, skilled and well supported mental health workforce;
4. Collaborative and research based mental health service planning and policy development; and
5. Strong leadership through governance, transparency and accountability.
